Altisource additionally entered into a Guaranty Agreement dated August 1, 2022, in favor of Flagstar, guaranteeing the repayment and performance of the obligations under the Line. The Company will use the proceeds from the Line to fund the acquisition and origination of business purpose loans (the “Loans”) secured by residential, multifamily and certain commercial properties. Flagstar will have a security interest in the Loans subject to a transaction under the Line. The Line's maturity is 364 days from the execution date.

The Line accrues price differential at a base 1-Month Term SOFR rate plus a spread dependent upon the type of Loan subject to a transaction. Price differential is payable monthly.
